Group Member Testimonials

*If you have a cannabis habit and want to do something about it, then this group is for you.
After 20 years of addiction, I've been with the group for the past year and a half and it's
helped me in many ways. It's a good place to be with plenty of support
and will be your 1st step to tackling your addiction.*

Steven – building motivation whilst reducing and tackling my demons.

The Cannabis, Spice and Legal Highs Group is an abstinence-based user-led, self-help mutual aid group providing advice, support and information to individuals with a history of cannabis, spice and legal highs use.
